LINK TREE

DSG MOULDINGS

"Design. Manufacture.
Install."

CUSTOM MANUFACTURING

We specialize in custom-made exterior EPS architectural mouldings.

Our design specialists can review your house plans and create a quotation.

We are available to arrange design meetings to progress further discussions.

SKILLED ENGINEERING

Our factory engineers use precision and attention to detail to manufacture your mouldings.

We provide sketches, CAD drawings, and more to help you visualize a style before committing to a design.

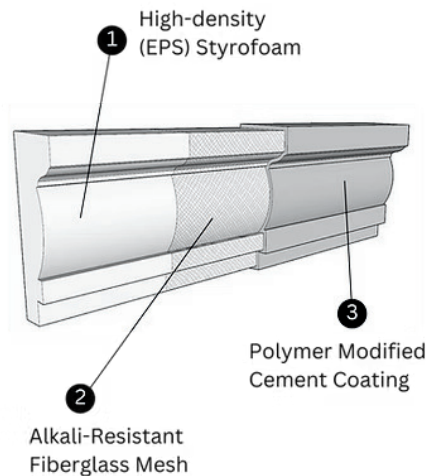

INSTALLATION EXPERTISE

In all of our contracts, we strive to complete a full site survey with all involved personnel, to discuss the full installation process, from service requirements to the schedule for fitting.

Benefits

1. Higher Impact Resistance
2. Lower Maintenance Costs
3. Highly Moisture Resistant
4. Lightweight
5. Upscale Aesthetic
6. Durable
7. Minimal Joints
8. Endless Design Capability

At DSG Mouldings, we are confident that our products provide the most value per dollar spent in the industry today.

OUR PROCESS - WE OFFER A TURNKEY SOLUTION FOR CUSTOM EXTERIOR PROJECTS.

01 - CONSULTATION

Before we begin, it's essential to understand your project requirements and design preferences.

We will provide you with a complimentary ballpark quote

02 - CUSTOM DESIGN

Your DSG designer will develop a precise design that you will love, tailored to your specifications.

03 - MANUFACTURE

After you have approved your design and quote, we will schedule your project and initiate the manufacturing process.

04 - INSTALLATION

Finally, one of our certified installers will make sure your exterior project is put in place exactly as you envisioned.
